PROGRAM / EXECUTIVE COMMITTEE

Dr. Brandon Howell, President

Dr. Jonathan Shapero, Past President/Treasurer

Dr. Ashlan Alexander, Vice-President

Dr Marissa Joseph, Secretary

Dr. Mary Lou Baxter, Member at Large

PROGRAM OBJECTIVES

Participants will learn the treatment of acne with NdYAG laser, and laser therapy for burn scars. The best practices for developing a non surgical body contouring practice will be assessed. Learners will learn multi combination approaches for aesthetic enhancement & rejuvenation to face, eyes and genitalia. Registrants will acquire knowledge for safe team delegation and communication. Participants will acquire thorough knowledge of prevention and managements strategies for filler complications . Learners will learn treatment of eyelid redundancy with non surgical laser blepharoplasty.

Participants will evaluate positive and negative implications of fillers and biostimulators prior to face and neck surgery.

ACCREDITATION

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by the Canadian Dermatology Association. You may claim a maximum of **6.0 hours** (credits are automatically calculated).
